Princess Alexandra Hospital

Princess Alexandra Hospital (PAH) is a major teaching hospital of the University of Queensland. The PA Southside Clinical School is based on the PAH campus. The University has academic units in the disciplines of Anaesthesia and Critical Care, Medicine, Psychiatry and Surgery based at the Hospital.

The Princess Alexandra Hospital serves the local population in Brisbane’s southern region and provides tertiary services to much of Queensland and Northern New south Wales. Junior medical staff are rotated to other metropolitan hospitals for paediatrics and obstetric terms. The Princess Alexandra Hospital has state-wide responsibilities for liver and renal transplantations, management of spinal injuries, the Queensland Eye Bank and Bone Bank. The Princess Alexandra Hospital also has major centres in geriatrics, cardiac services, rehabilitation and head injury rehabilitation as well as the state-wide services – Acquired Brian Injury Outreach Service, Queensland Amputee Limb Service, Spinal Outreach Team and a Translational Rehabilitation Program.

The University and Hospital staff are actively involved in clinical and laboratory research with many major projects being pursued within the Hospital in a number of disciplines. A number of major University research centres are based at the hospital including the Centre for Immunology and Cancer Research and the Centre for Diabetes and Endocrinology Research.

The education facilities include a 300 seat auditorium, training suite, pathology seminar and tutorial rooms, comprehensive library facilities, a teaching resource centre (museum) and student amenities – common room and a study room. Network connections are available in all PBL rooms and the student common room. The Library has 37 computers and 9 laptop ports plus wireless connectivity linked to UQ Connect. All Library computers provide access to electronic books and journals, email, the internet and office applications via the Library webpage.

Parking Information

Car
There are two privately operated car parks close to Princess Alexandra Hospital:

- The Metro multi-story car park is located on city side of the hospital, on the corner of Ipswich Road and O'Keefe Street. There is a link-way into the main foyer of the hospital.
- The Buranda multi-storey car park is located opposite the main hospital building on Ipswich Road (entry off Wolseley Street). There is a link-way over Ipswich Road and then a short walk to the main foyer of the hospital.

Brisbane City Council street restrictions apply in all streets surrounding the hospital.

Bicycle
Secure bicycle parking is available in the designated compound located in the basement car park. Access to the compound is gained via the keypad. The door lock ‘code’ is obtained from the Transport and Traffic Unit in the Basement car park or Fire and Security Services on the ground floor, Building 1 adjacent to the Orange Lifts (Room GA24.1). Bicycles are not to be parked/secured within a building or in other areas including balconies, building entrances, pathways etc.

Students need to come personally and talk to the Campus Parking Officer and pay a $15 deposit to obtain their bypass parking card.

Public Transport

Bus:
There are a number of options for travelling to the Princess Alexandra Hospital by bus:

- The **PA Hospital Busway station** is located on the hospital campus. There is a walkway leading directly from the station to the main foyer. Regular bus routes through the PA Hospital Busway station include: 109 (City), 169 (Eight Mile Plains), 139 (Sunnybank Hills) and 209 (Carindale).
- **Ipswich Road** is a major bus route with frequent bus transport during the day. There are bus stops outside the hospital on Ipswich Road and Cornwall Street.
- The **Buranda Busway station** is also a ten-minute walk from PAH. It also provides services to and from the city centre and southern suburbs.

Train:
The nearest railways stations to Princess Alexandra Hospital are Dutton Park (Beenleigh line) and Buranda (Cleveland line).
For more information and timetables contact Translink on 131230 or TTY 3369 3377 or [www.translink.com.au](http://www.translink.com.au).

**Facilities and Student Resources**

**Joint Princess Alexandra Hospital/UQ Library**

The Joint Princess Alexandra Hospital/UQ Library is located on the ground floor of the hospital beside the water court. It was established in 1969 as a medical library and amalgamated with the Nursing Library in 1999.

The Joint Princess Alexandra Hospital/UQ Library collection provides teaching, learning and research materials in various formats for onsite use, access and loan. Strengths include: Dermatology, Internal Medicine, Infectious Diseases, Gastroenterology, Ophthalmology, Pathology, Psychiatry, Radiology, Surgery, Kidney and Liver Transplants, Spinal Injuries, Nursing.

The on-site collection includes:
- 6,500 books
- approximately 100 videos and multimedia.
- over 150 current print journal titles.

There are 36 public computers providing access to:
- Library website
- Email
- Internet
- Networked printing and copying
- Online course materials
- Software - Word, PowerPoint, Excel, Access and Endnote
- UQ network.

**Study Areas**

There are individual and group study areas available and three group rooms. Bookings for the group rooms can be made electronically via the Library Homepage, in person at the Loans Desk or by phoning 3176 2571.

Pace Health Sciences Library

The PACE Health Sciences Library, located on level 6 of the Pharmacy Centre of Excellence (PACE) Precinct on the Princess Alexandra Hospital Campus, is the 15th branch of the University of Queensland Library. Designed by Design Nest architects, this world class library provides learning spaces and consultation zones which are flexible, comfortable and conducive to collaborative and active learning. The PACE Health Sciences Library opened in semester one, 2010.

The PACE Health Sciences Library collection provides teaching, learning and research materials in various formats for on-site access, use and loan. The onsite collection includes 800 books in the areas of pharmacy, medicine and nursing. The electronic resources are provided via the Library's website and these include 46,101 eJournals, 365,633 eBooks, and 876 databases.

Access to the global body of information is available through the internet. Assistance in the use of information resources focuses on the specific needs of customers. There are 50 public access workstations throughout the PACE Health Sciences Library. These provide access to:

- Library website
- Email
- Internet
- Networked printing and copying
- Online course materials
- MS Office software — Word, PowerPoint, Excel and Access
- UQ network.

Study Areas

Four group Study Rooms are available for students. Bookings may be made for these rooms up to one week in advance, using the Facilities Booking System. Enter your UQ username and password in the relevant day, room and time on the Facilities Booking System. Students may alter their bookings themselves if necessary.

Each room has access to a laptop and an LCD screen with inputs to display your laptop, great for group work. There are also air-conditioning, large desks to facilitate group discussion and wall-to-ceiling whiteboard/walls which are conducive to teamwork.

Opening Hours

Mon – Fri 9:00am – 5:00pm
Sat and Sun Closed

For recorded opening hours - telephone (07) 3365 6703.
Student Common Room
The student common room is located in Building 18. The student common room contains a small break out area, a couple of computers and lockers. Access to this room is 24/7. It is your responsibility to keep the common room clean and tidy. If any of the facilities are not operational please advise one of the Student Coordinators or email pasouthsideCS@som.uq.edu.au.

Prox Cards and Lockers
Students will be issued with a “proximity” card (compulsory) and you will be required to pay a $25 deposit, which will be refunded to you upon return of the Prox Card. The card is swiped to gain access to certain areas of the hospital, including 24/7 access to the Student Common Room.

It is your responsibility to keep the card secure and be returned to the relevant Student Coordinator when you are not based at the Princess Alexandra Hospital. Please advise staff immediately should you lose or damage the card.

Lockers are available (not compulsory) for you to store personal items when you are on the Wards and are housed in the Student Common Room. Access to a locker requires a $25 deposit, which will be refunded to you upon return of the locker key.

PA-Southside Clinical School staff will not be responsible for the security of personal items left in common areas.

During your Orientation session the Student Coordinators will provide you with information on how to apply for your proxy card and a locker (if you require).

(Please note we do not accept cash, you will need an EFTPOS or Visa card for payment and refunds will be processed back to your EFTPOS or Visa card).

ATMS
There are Multi-Card Automatic Teller Machines (ATMs) located in the Main Foyer, Ground Level, Building 1 and opposite the Blue Lifts, Ground Level, Building 1.

Catering

Starbucks
Starbucks coffee houses offer more than the finest coffee sourced from across the globe. Friendly people, great music and a comfortable upbeat meeting place create the famous Starbucks Experience.

The layout and atmosphere of Starbucks stores is specifically designed to be cozy and intimate, while at the same time providing people with their own personal space to use as they wish. The combination of sofas, armchairs, coffee tables and chairs, bars and stools, and meeting room tables means that there is something for everyone.

Opening Hours
Mon – Fri  5:30am – 8:30pm  
Sat and Sun  6:30am – 7:30pm  
Ph: 07 3391 4166

**Staff Cafeteria**
Is not available for students  

**Alexandra Place Cafe**
Is in the Main Foyer, Ground Level, Building 1 (in the main hospital building). It is open to the public between 6.30am and 7.30pm, seven days a week. It offers a range of healthy food options including hot meals, fresh sandwiches and salads, wraps, fruit, yoghurt and drinks.

**Coffee Cart**
The coffee cart in the public dining area is open from 6am to 5pm Monday to Friday and 7am to 2.30pm on weekends.

**Worship Centre**
The Worship Centre near the Main Foyer, Ground Level, Building 1 is open 24-hours a day for prayer, meditation or reflection. Religious Services and Prayer Timetable can be found following:

- Tuesday 12.00pm  Catholic Liturgy  
- Friday 2.00pm  Anglican Communion  
- Friday 2.00pm  Muslim Prayer  
- Sunday 8.30am  Catholic Mass  
- Sunday 10.15am  Ecumenical Service
Queen Elizabeth II Jubilee Hospital

The QEII Jubilee Hospital is located 13.8km south of the Brisbane CBD bordering Troughton and Kessels Roads in the suburb of Coopers Plains. The QEII Jubilee Hospital location is close to industrial, commercial and residential areas, as well as the Princess Alexandra Hospital and Griffith University (Mount Gravatt and Nathan campuses). The hospital is supported by local Community Health Centre’s at Eight Mile Plains, Mount Gravatt, Corinda, Inala and Coorparoo.

The hospital was officially opened in September, 1980, by the Health Minister of the time; Sir William Knox. Since this time, the hospital has grown to become a medium-sized adult general facility providing a range of inpatient, outpatient and support services.

At the QEII Jubilee Hospital you can access:

- 24-hour emergency medicine, general medicine, surgical services, cardiology, geriatric and rehabilitation services (GARS), gynaecology, orthopaedics, intensive and coronary care, neurology, gastroenterology, urology and urodynamics, and respiratory medicine
- Outpatient, day only and support services including rehabilitation services, endocrinology, public dental clinic, BreastScreen Queensland, ophthalmology, endoscopy, and allied health services including dietetics, occupational therapy, physiotherapy, social work and speech pathology
- These services are supported by onsite medical imaging, pathology and pharmacy services
REDLAND HOSPITAL is a group B, 138 bed secondary acute hospital providing both primary and secondary level services in the following areas:

1. Emergency medicine (24 hour Clinical Service Capability including a 5 bed short stay unit)
2. Acute general medicine (30 beds)
3. Acute cardiology (13 beds plus 5 bed high dependency unit),
4. General, orthopaedic, gynaecological, endoscopic and oral health surgery (28 beds)
5. Maternity (22 beds averaging 2500 deliveries a year)
6. Acute Mental Health (23 designated acute adult psychiatric beds)
7. Acute Paediatrics (6 beds)

- Specialist services provided (in various capacities) from Redland Hospital include: psychiatry, emergency medicine, cardiology, endocrinology, infectious diseases, gastroenterology, gynaecology and obstetrics / midwifery, general medicine, neurology, orthopaedics, paediatrics, renal medicine, respiratory, urology, anaesthetics and general surgery. These services are complemented by a range of allied health services, including physiotherapy, speech pathology, nutrition services, podiatry, occupational therapy, social work, pharmacy, pathology, and diagnostic radiology/medical imaging.
CAPITAL PROJECTS

• Two approved capital projects are in progress at Redland Hospital, both of which are expected to open in mid 2012.

• The first is the $18 M Redland Hospital ED and Paediatric Ambulatory Services Redevelopment, which will result in:
  1. Expansion of the 5 bed short stay ward to 10 beds
  2. A dedicated waiting and treatment area for children
  3. A dedicated treatment and assessment area for patients with acute psychiatric conditions
  4. Four additional ED treatment spaces to provide additional surge capacity
  5. A helipad.
  6. An expansion of the paediatric ward from 6 to 11 beds; and
  7. An expansion of the children’s multi-disciplinary outpatient facility

• The second is the transfer of the 10 Bed Barrett Adolescent Centre (state-wide long stay inpatient mental health service) from Ipswich, and its expansion to 15 Beds. This is expected to open in early 2012

Redland Hospital being a smaller community hospital offers UQ students a more inclusive learning environment as smaller student numbers allow more time with the teaching team.

Students are each allocated a locker and prox card at the beginning of their rotation. The prox card gives them 24/7 access to the library facilities and two UQ dedicated computers. Free on-site car parking is available for staff and students.

Coochie Café located within the hospital grounds offers low cost meals which students find convenient as well as availability of the staff common room.
